A Pathway To Independence For At-Risk Military Veterans

Five Star Veterans Center strives to serve military veterans who suffer from anxiety, depression, substance abuse, PTSD, and TBI. These veterans are often homeless or at risk of homelessness. With safe, secure housing and the Five Star Center's reintegration programs, the residents find the path back to fulfilling and productive lives.

The 2017 NEFAR Leadership Academy has spearheaded this campaign to support Five Star Veterans Center.

Our goal is to raise \$15,000 for much needed facility maintenance and repairs, including a new roof.

100% of donations will go to Five Star Veterans Center.
